**AGENDA ITEM WORDING:**

Request for approval of settlement agreement in Monroe County v. Key Largo Ocean Resorts Coop, Inc.

---

**ITEM BACKGROUND:**

This is a code enforcement lien foreclosure case. Staff has negotiated a tentative settlement agreement wherein Key Largo Ocean Resorts Coop, Inc. (KLOR) would enter into a development agreement that would address the remaining code violations that exist on the property. The proposed settlement and development agreements would eliminate the need to initiate code enforcement actions against each of the lots at KLOR. The proposed settlement agreement preserves the County's right to foreclose should either agreement be breached. A copy of the proposed settlement agreement is attached.

Settlement Agreement

The Plaintiff Board of County Commissioners of Monroe County, Florida (hereinafter referred to as "the County" when referring to the governmental entity and the "BOCC" when referring to the Board itself), and the Defendant Key Largo Ocean Resorts Coop, Inc. (hereinafter referred to "KLOR"), hereby enter into this agreement to settle the above-captioned lien foreclosure case, and in furtherance thereof state as follows:

1. The parties jointly move this Honorable Court to take this matter off the Court's trial docket so that the parties may complete the development process of the Defendant's property as set forth in this agreement and its attachments.

10. At the completion of the work undertaken pursuant to the agreement, the County will dismiss the foreclosure action with prejudice.
11. Each party agrees to bear its own attorney's fees and costs associated with this matter unless the Court declares there to be a material breach of this agreement and returns this matter to the trial docket.
12. The parties further agree to waive any claims that each may have asserted against the other as a result of this litigation, the underlying code enforcement proceeding, or the application of the land development regulations of the County to this property.
